- 3. The Debtor filed its Application for the Entry of an Order Authorizing the Debtor to Employ and Retain Kurtzman Carson Consultants, LLC as Notice, Claims and Solicitation Agent (the "Motion") on October 23, 2012.
- 4. An order shortening time is appropriate here in order for the Court to consider the Debtor's Motion as the Debtor needs court authority as soon as possible in order to properly serve all pleadings upon interested parties. Considering that there are over 700 creditors, a servicing agent is necessary. Without such, the Debtor will not be able to efficiently provide notice to interested parties.
- 5. Based upon the foregoing, it is respectfully submitted, that good cause exists for granting an order shortening time.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Dated October 23, 2012.
